REAL LIFE  
REAL SKILLS

NAME: **GABRIEL TUNG ZI YI**  
DEPARTMENT: **AUTOMOTIVE**

Ever since I first walked into Montfort Boys Town, I felt really strange and a little fearful. I didn't know what lies ahead of me. I was leaving my family for the first time. However, I wanted to try my best here. I have been told countless times "You must keep moving forward and don't ever give up". While I was here, I have learnt about time management and discipline. I have also improved on my attitude. My instructors at Automotive always tell me "it doesn't matter how slow you go, as long as you don't stop".

I am thankful to all those who has helped me and supported me during my stay at Montfort. Thank you to all the donors, sponsors and benefactors as well. Lastly, I would like to wish everyone a joyous New Year and express my hope for your happiness and promising future. I hope that the New Year brings many good things and rich blessings to you and your loved one. May God justly reward you for your kindness and generosity this New Year and may you have a Happy and Prosperous Chinese New Year.

NAME: **CHEH XIAO WEN**  
DEPARTMENT: **HOSPITALITY**

First of all, I want to say that Montfort has really changed me. Initially, I wasn't going to further my studies, but I have come to realize the importance of acquiring "skills". At Montfort, I have also learnt a lot of important values such as responsibility, honesty and teamwork. Real Life, Real Skills to me the meaning behind those words; the life skills and vocational skills that I have acquired here while at Montfort will be useful for when I go out to work and in my future life. At Hospitality, I have learnt how to work as a team. Teamwork is vital and crucial in the hospitality industry. It is only through our combined efforts, that we will be able to achieve our objectives more successfully.

All and all, I don't know if I will ever be able to repay Montfort for everything. However, I would certainly try my best to fully make use of everything I have learnt here. A Happy New Year to all those who celebrate. May the lunar New Year bring you prosperity, progress and lots of happiness. May you and your family be blessed in 2024. May the Year of the Dragon allow you to prosper significantly.

My stay at Montfort Boys Town has been quite an adventure with its fair share of ups and downs. Amidst some of the tumultuous days and challenges I have had to face, I have found comfort and joy in the unwavering support from the brothers, sisters, staff and my dear friends. I am grateful to have them with me throughout my journey at Montfort. To our esteemed benefactors, generous donors, dedicated sponsors and kind well-wishes, your support is a priceless treasure to us.

May the Year of the Dragon bring rich blessings, excellent health and ongoing harmony to you. As we eagerly welcome the New Year and new opportunities that come with it, may everything go smoothly for you in 2024. Gong Xi Fa Cai to everyone celebrating this wonderful occasion. My hope is that everyone will have a prosperous year ahead in your life, business and career.

NAME: **HOW KAI WEN**  
 DEPARTMENT: **GRAPHIC DESIGN MULTIMEDIA**

When I first arrived at Montfort, I was sad because everything felt unfamiliar to me. My senior gave me some encouragement and told me that I will surely adapt to the environment here. My family is financially challenged and they couldn't afford to pay for my education. I was fortunate that Montfort is able to help me. After sometime, I started to see some changes in me. I was an introvert before coming to Montfort, but now I am much more confident. I am able to speak more confidently and I have also made a lot of friends. I have also learnt a lot of skills and values; most importantly I have learnt about discipline.

I am grateful to Brother Robin. D who gave me the opportunity to study at Montfort, as well as the staff here that has helped me throughout my time here. The guidance that I have received is truly beneficial for my future and will pave way to a better future for me. Lastly, I wish everyone a prosperous and fruitful Lunar New Year. Just as I have been blessed, I pray that the Almighty will shower you with greater blessings in the year of 2024. May the Year of the Dragon be filled with goodness, prosperity and good health for your whole family. Gong Xi Fa Cai from all of us in Montfort.
